## WORK EXPERIENCE

### Freelance Concept Artist

Remote | 2023-Present

- Created original concept art for characters, environments, and props across varied styles for animation, games, and indie projects.
- Translated narrative ideas into compelling visuals through close collaboration with clients, writers, and creative directors.
- Delivered polished illustrations and iterative designs under tight deadlines using Procreate and Photoshop, incorporating feedback efficiently.

### Storyboard Artist – Come Closer Music Video

Savannah College of Art and Design | January, 2019

- Collaborated with the director and production team to develop visual storytelling solutions that aligned with the film's narrative and emotional tone.
- Created sequential storyboards to plan camera angles, compositions, and pacing for key scenes.
- Interpreted scripts into clear visual narratives, ensuring continuity and enhancing cinematic impact.

### Storyboard Artist – Doodled the Movie

Savannah College of Art and Design | October, 2018

- Collaborated with the director and production team to develop visual storytelling solutions that aligned with the film's narrative and emotional tone.
- Created sequential storyboards to plan camera angles, compositions, and pacing for key scenes.
- Interpreted scripts into clear visual narratives, ensuring continuity and enhancing cinematic impact.
